**An excellent prayer before reading or praying in the Divine Will:**

**Entering into the Eternal, Divine Order of God, I place my absolute nothingness in the Heart of the Most Holy Trinity, to give to my Father the joy of fulfilling the purpose of my existence by doing all the acts of my life through the Immaculate Heart of my Mother, and in the Divine Will. And in this same manner may I pray, eat, live, act, work, walk, sleep, etc.**

**May my soul be devoid of any longings, wants, or desires other than You, my beloved Divine Will, and may You do with me whatever You want, desire, or long! All I ask is that you bind me to Your Most Holy Will so intimately that I may never swerve from carrying out what I know to be Your good pleasure, and that I remain so docile to the movements of Your Divine Will that you never perceive even a breath of resistance in my soul to Your desires for me!**

**Come Divine Will with all the angels and saints, especially my Sweet Mother, to touch my forehead to imprint on it the Holy Spirit and infuse in me the light so I can understand the truths and goods that are in these booklets and prayers! Amen!**

## ***Making Rounds Through Mary With*** **THE BLOOD OF JESUS**

*"Souls, souls, come; give Me relief; take a place in my Humanity. I want you, I yearn for you. Ah, do not be deaf to my voice; do not render vain my ardent desires, my Blood, my Love, my Pains. Come souls, come!"*

*"Twenty-Four Hours of the Passion of Our Lord, Jesus Christ"  
By Luisa Piccarreta, Little Daughter of the Divine Will*

*"The river of iniquity is so great that it can prevent the redemption of souls, and only prayer and these Wounds of Mine can prevent this impetuous river from sweeping away everyone into itself."*

**Entering into Your Divine Will, I pray:**

**My Mother, holding on to your maternal hand,** let us console our Jesus by going all over the world in search of souls. In each drop of Blood that Jesus shed during His Most Sorrowful time in the Garden, let us enclose all souls of all centuries. Let us enclose their every thought, word, and action. By means of this Divine, Redeeming Blood may all souls be cast into the flames of His Most Sacred Heart so that they may receive the graces necessary to surrender themselves to His Eternal and Benevolent Love! Let us surround Jesus with these souls that He loves so dearly, and that have been transformed and made gentle by means of His Blood and the Flames of His Heart. Then we can give to Jesus what He wants most – souls! Let us do all we can, most Sorrowful Mother, to make Jesus happy and console Him from His most bitter agony! As we console Jesus with souls, dearest Mother, I pray you to be consoled too!

**May all the Angels and Saints accompany us,** and help in disposing souls to receive this Most Precious Blood. We pray not one drop of Jesus' Blood nor Its efficacious effect be lost on any soul. Let us hurry, my Mother, Jesus is in agony, and the suffering of seeing the loss of so many souls is almost more than He can bear! He is watching us to see if we are going to hurry. Let us go, Mother, let us go now!

**Amen**

## ***For His Kingdom to Come:***

+ Let us give Jesus' Most Precious Blood to all of the dying so that, putting the demons to flight, It will dispose them to receive the last sacraments and die a good and holy death.

+ Let us also give the dying, Jesus' agonies, His kisses, His tears and His Wounds. Let us break the cord of affections for all things on earth and make them all hear the words of forgiveness.

+ Mother be with Jesus when He judges these souls and pray Jesus will find them covered with His Blood, and abandoned in His Heart, and He will give His pardon to everyone.

+ O Mother, let us fly to those souls who are about to commit a mortal sin and let us cover them with Jesus' Blood so that with It they may find the strength and grace not to fall into sin. May this most Efficacious Blood bring them to surrender themselves totally to their Loving Savior.

+ Let us give Jesus' Blood to those who have already fallen into sin. O Mother, they are dead to grace. Let us give them Jesus' Blood, so full of Life, so that they will find the strength to rise from their fall and to rise again more beautifully for Jesus' consolation.

+ Let us drench in Jesus' Blood those souls who bear the mark of perdition. These souls sin and then run from Jesus because they despair of His forgiveness. May this Most Loving Blood cancel the mark of perdition and leave in its place that of salvation.

+ O Mother, there are good and innocent souls who have creatures all around them with so many snares and scandals so as to snatch away their innocence. Let us seal them with the Most Precious Blood of Jesus to protect their innocence and enclose them in the Most Sacred Heart of Jesus as a wall of defense so that sin may not enter into them. This is Jesus' most bitter and sorrowful agony – the harm and loss of innocent souls!!

+ Let us run together and go into the regions of the heretics and the infidels. With Jesus' Efficacious Blood, and putting them in your maternal hands, may they one by one be pulled from the burning flames and be granted the great grace of recognizing and understanding their Savior, Jesus.

+ O Mother, let us now go to the afflicted to comfort them, to the poor so that they may suffer their poverty with resignation, to the tempted so they may obtain victory, to the unbelievers so that the virtue of faith may triumph in them, to the blasphemers that they may give blessings instead.

+ Now let us go to the Priests so that they may understand their mission and to make strong their vocations. May they be worthy ministers of Jesus and may their words and actions glorify God alone.

+ Let us give this Blood to the leaders of the peoples so that they may be united among themselves and feel gentleness and love toward their subjects.

+ Let us now fly into Purgatory, Mother, to pour this Precious Blood on the suffering souls for their consolation and liberation and to quench the fire that burns them and purifies their stains.

+ Permit, O Mother, to give this Precious Blood to you as well for your greater glory and may this Blood inundate you with new light and new happiness and grant that this light descend in favor of all creatures to give to everyone the grace of salvation.

+ **My Mother, please give this Blood to me as well.** You know how much I need it. With your own most tender and loving hands wash my whole being with this Blood. Purify my stains, heal my wounds, enrich my poverty. Make this Blood circulate in my veins and give back to me all of Jesus' Life. Let it descend into my heart and transform it into His own Heart. Let it embellish me so that Jesus may be able to find all His pleasure in me.

+ Lastly, O Mother, let us enter into the heavenly regions and give this Blood to all the Saints and to all the Angels so that they may receive greater glory and burst forth into thanksgiving to Jesus and pray for us so that, in virtue of this Blood, we may be able to join them. And after having given this Blood to everyone, let us return to Jesus. Angels and Saints come with us. Ah, He longs for souls. He wants them all to re-enter into His Humanity. Let us gather all of them around Him, Sweet Mother.

+ Let us call all the elements to keep Him company so that they may also give Jesus honor. The sunlight, the stars, the flowers, the birds, the elements of the earth. But, Jesus does not seek light, stars, flowers and birds. No, He wants souls, souls!

---

Here is everyone together with me. Mary Magdalene is here also, as well as Martha and all the loving souls of all centuries. Oh Jesus, with Your dear Mother at your side, accept them and say a word of forgiveness and of love to everyone. Bind them all in your Love so that no soul may ever escape You again.

**My Life-Giving Jesus, I give myself into Your hands** so that You may freely do with me that which most pleases You and, for Your Kingdom to come and in Your Most Holy Will, I want to follow You wherever You go and do whatever You do. I want to be with You during Your reparations and in suffering Your pains. I want to always be around You so that there may be no offense for which I will not repair, no bitterness which I will not sweeten, no spittle or blows which You receive from all mankind that will not be followed by my kiss and caress. If You fall, my hands will always be ready to help You rise. Therefore, my Jesus, I always want to be with You nor do I ever want to leave You alone even for one minute. And, to be more secure, place me within Your Most Holy Humanity and I will be in your mind, in your gazes, in your Heart and in your whole self, so that whatever You do I may do it as well. Thus I will be able to keep You faithful company without losing track of any of your pains and to give You in everything my exchange of love.

**Amen!**

**My afflicted Love, I offer You these rounds** in memory of your Passion and Death in order to disarm the just anger of God for so many sins, for the conversion of all sinners, for the peace of the peoples, for my sanctification and in suffrage for the souls in Purgatory and for the Triumph of Holy Mother Church so that she can fill the earth with Saints!

†  
*Reparation in the Divine Will*

**Jesus, I fuse myself in Your Holy Will:**

+ Let us take the flames of your Most Sacred Heart and place them into all souls so that they will surrender their lives to You.

+ Let us take your Most Precious Blood and pour it over all the souls that are about to take their final step into Hell to snatch them from the hands of Satan, to convert their hearts and to return them to your Loving Embrace.

+ Let us take your Tongue and go around to all creatures to touch your Tongue to theirs, so that in the act of offending You, by feeling the bitterness of yours, if not for Love, at least for the bitterness that they feel, they may no longer blaspheme!

+ Let me take your Thorns and pierce my heart to take out all that does not pertain to You and I leave a thorn in my Heart as a seal to show that You are my King and to impede anything from entering into me.

+ Let us go around to all hearts and pierce them with your Thorns, to drain them of all the smoke of pride and putridity that they contain and to constitute You as King of everyone.

+ Let us embrace your Cross and take all the drops of your Blood and pour them into my heart, and in the Divine Will I come before your Throne Father and I lay prostrate, and I ask You to look at this blood of Jesus' in my Heart, which carries the price of Redemption, and by its merits I ask You Father for the conversion of all souls.

+ Let us together gather up all of your Sorrows in the Supreme Will and in each one I place my sorrow and pardon together with You.

+ Let us gather up all the suffocated moans, secret tears and bitter sighs of the Holy Spirit in the sacraments, and in each of these, I place my sorrow and my "I Love You," so that You and the Holy Spirit do not sorrow alone, but have me to keep You faithful company and to love You.

+ Let us gather up all of the arrows that You shoot from your Most Sacred Heart in the Blessed Sacrament, to wound creatures with pure Love of You, that are rejected by creatures of the past, present and

future, including all the arrows that I have rejected, and I make them my own, and in the Divine Will I place my “I Love You,” “I Adore You” and “I Glorify You” in each arrow and shoot them back at your Heart, to wound You with my little love, to engage You to love me more and to never forget me.

---

+ Majestic Forehead of my Jesus, I kiss You. I draw all my thoughts to contemplate You and to understand You, my Jesus.

+ Most Fair Countenance of my Jesus, manifest yourself. Grant that I may see You, sweet Jesus, so that from everyone and from everything I may detach my poor heart.

---

### **In the Most Holy and Divine Will:**

+ I give You thanks, O, Blessed Virgin. And to thank You as You merit, I offer You the same thanksgiving as your Jesus. O gentle Mother, be my Mother. Take care of me and never permit me to offend You even in the least. Keep me always close to Jesus. With your hands bind me totally and completely to Him, in such way as to never be able to flee from Him. With your own intentions, I intend to make reparation for everyone, for the offenses committed against your Jesus and against You, my Gentle Mother.

+ I thank You, my Jesus, for everything and in the name of everyone, I raise up to You the hymn of an eternal and infinite thanksgiving. O my Jesus, I intend to offer to You all that You have suffered in your Most Holy Person to give to You all the glory that all creatures would have given You if they had conformed their lives to yours.

+ I unite my actions to yours to Divinize them: and, united to all the works that You did with your Most Holy Humanity, I offer them to You to give to You all the glory that creatures would have given you if they had worked in a holy manner and with right motives.

+ I place myself together with You in each tabernacle, in all the pyxes, and in each consecrated Host until the end of the world to be able to send forth my acts of reparation according to the offenses which You receive in the Eucharist.

+ Together with You, I put all of my thoughts into your Mind to push out the Thorns which cause You so much pain. I also lower my head to share your pains with You. May my every thought flow in every thought of yours to satisfy You for each evil thought of the creature and to alleviate your afflicted thoughts.

+ I make many most minute pieces of my being to place them before You in the Most Blessed Sacrament, as so many kneeling statues, in continual genuflection to make reparation to You for all the dishonors which are committed before our Sacred Presence.

+ I enter into your Heart, to understand how much You have suffered, how much You love me and to learn how to suffer only for Love.

+ I gather up all the passions of all creatures of the past, present and future, including my own passions and extinguish them in your Blood; along with the thirst of so many vanities and pleasures and of so many sensualities. For it is in this Blood we will find the remedy for all our evils!

+ Let us take your Most Precious Blood and pour it over all the Poor Souls in Purgatory, to liberate them from their pain and suffering and to allow them entrance into the Kingdom of Heaven.

### **5 A.M. Hour of the Passion – Jesus in Prison**

+ Jesus, I fuse myself in your mind, I want to gather up all the thoughts of creatures and fuse them in your thoughts, in order to find sufficient reparation for all evil thoughts and for so many suffocated lights and inspirations.

+ Jesus, I fuse my eyes and those of all creatures in yours to be able to make reparation with your own eyes for all the evil that we have done with our sight.

+ Jesus, I fuse my ears and those of all creatures in yours to make continual, complete reparation to all evil words.

+ Jesus, I fuse my face in yours to return to You your Native Beauty and to make complete reparation for all scorns given to your Most Holy Majesty.

+ Jesus, I fuse my tongue and those of all creatures in yours to make reparation with your own tongue for all the sins and evil

discourses committed.

+ Jesus, I fuse myself in your neck to be able to make reparation together with You for all the attachments of creatures and to give the chains of your Love to everyone.

+ Jesus, I fuse myself in your back to make reparation for all illicit pleasures and love of comfort, to give the spirit of sacrifice and the love of suffering to everyone.

+ Jesus, I fuse myself in your hands to make reparation for all evil works and for the good done in a bad manner or with presumption and to give the perfume of your works to everyone.

+ Jesus, I fuse myself in your feet to enclose the steps of creatures to make reparation for them, and I give your steps to everyone to make them walk in a holy manner.

+ Jesus, I fuse myself in your Heart; permit me to enclose there all affections, heartbeats and desires to make reparation for them together with You and to give to everyone your affections, heartbeats and desires so that no one may again offend You.

+ Jesus, I fuse myself in You in all the tabernacles and pxyes of the world to be spectator when your ministers take You out and to keep You company and make reparation for the offenses that You receive.

**Jesus Takes Up the Cross and Sets Out for Calvary**  
**Where he is Striped of His Garments**

Jesus, I fuse myself in your Will, and I give you in the name of all creatures, love for he who does not love You, praise for he who despises You, blessings, thanksgivings and obedience for everyone. I promise that in any offense that You receive, I intend to offer You my whole being to make reparation to You, to do the act contrary to the offenses creatures commit against You and to console You with my kisses and continual acts of love. But, I see that I am too miserable. I need You in order to truly make reparation to You. Therefore, with You, I want to make reparation for all that your Most Holy Humanity does by uniting myself to the immensity of your Love for everyone and to the immense good that You do for everyone. Still, I am not satisfied. **I want to unite myself to your Divinity; so I disperse this nothingness of mine in It to give You all that You are.**

I give You your Love to restore You from your Bitterness.

I give You your Heart to restore You from our coldness, for the lack of correspondence, gratitude and love of creatures.

I give You your Harmonies to reinvigorate your Ears from the deafening blasphemies that You receive.

I give You your Beauty to reinvigorate you from the ugliness of our souls when we taint ourselves with sin.

I give You your Purity to reinvigorate you from the lack of right intention and from the mud and rottenness that You see in so many souls.

I give You your Ardor to burn all the sins of all hearts so that everyone may love You and that no one may offend You again.

In a word, I give You All That You Are in order to give You infinite satisfaction and eternal, immense and infinite love.

**Volume 19 – May 6, 1926**

I was, according to my usual way, fusing myself in the Holy Divine Will and I prayed to the Heavenly Mamma that together with me She would give me Her hand so that, guided by Her, I could exchange with my God all the love, adoration and glory that everyone owed Him.

*Prayers of Reparation to Jesus*

**Prayer #1**

O, Jesus, I see that your Blood flows in little streams from your hands and feet. The weeping Angels are around You as a crown; as they admire the marvels of your immense Love. I see that your tender Mother, at the foot of the Cross, is pierced by sorrow. Your dear Mary Magdalene and beloved John are entirely wrapped in an ecstasy of wonder, of love and of sorrow.

O, Jesus, I unite with You, and I embrace your Cross. I take all the drops of your Blood and pour them into my heart. When I will see your Justice irritated against sinners, I will calm You by showing You this Blood. When I want the conversion of souls obstinate in sin, I will show You this Blood; and in virtue of it, You will not reject my prayer, because I will have the token in my hands. Amen

**Prayer # 2**

My Jesus, boundless Love, I unite with You. I give You thanks for all that You have made me suffer and for all that remains for me to suffer. I beg You to make the dawn of grace rise in all hearts so that You, Divine Sun, may rise in all hearts and reign over everyone. My sweet Jesus, I see that You also make reparation for all the first-fruits of the day in thoughts, words, and affections that are not offered to You to give You honor. You call into yourself, as something owed to You, all the thoughts, words, and affections of creatures to make reparation for them and to give the Father the glory that He ought to receive from them. Amen

**Prayer # 3**

My crucified Love, I want to follow You before the throne of the Eternal One. Together with You, I want to disarm the Divine Justice. I make my own your most Holy Humanity united to your Will; and, together with You, I want to do what You do. What is more, my Life, permit me to make my thoughts, my love, my will and my desires flow in yours; my heartbeat in your Heart and my whole being in You so that nothing may escape me and so that I may repeat act for act and word for word all that You do. Amen

## **CLOSING PRAYER FOR ALL THE ROUNDS**

*Supreme Majesty, I come before your Throne and prostrate myself before You. Then, at your calling, as your little child, I climb upon your Paternal Knees to offer You, with my Mother, Mary, my exchange of love for all the love You placed in the countless things You created in the vast universe with Your Omnipotent “Fiat of Creation!” I offer You the same love, honor, praise and thanks in your Merciful “Fiat of Redemption,” sending your Only Begotten Son to die for love of us. And in your Most Holy “Fiat of Sanctification,” still ongoing, but praying fervently for Its completion in all mankind!*

*Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats!*

*With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me!*

*Amen!*

*CANTICLE OF LOVE*

**Jesus:**

**“Of Love do you want that I speak to you? Listen, my dearest daughter, to my Life of Love:**

**If I breathe, I Love you; if my Heart beats, my palpitations say to you, ‘Love, Love.’**

**I am crazy with Love for you. If I move, Love I join to you.**

**With Love I inundate you, with Love I surround you. With Love I caress you; with arrows of Love I shoot you.**

**With Love I dart you, with Love I allure you, with Love I feed you, and with Love I send sharp arrows to your heart.”**

**Luisa:**

**“Enough, O my Jesus, for now; I feel myself fainting away with Love.**

**Sustain me in your arms; enclose me in your Heart; and from within your Heart let me too, find an outlet for Love; otherwise, I will die of Love.**

**With Love I am delirious; with Love I burn, with Love I make merry, and with Love I languish, with Love I am consumed.**

**Love kills me and then gives me new life and makes me rise more beautiful still.**

**My life slips away and I feel only the life of Jesus, my Love; and in Jesus, my Love, I feel immersed; and I Love everyone.**

**He wounds me with Love, He makes me sick with Love, He adorns me with Love and makes me richer yet.**

**More I do not know how to say, O, Love! You alone understand me, You alone comprehend me.**

**My silence tells You still more. In your beautiful Heart more is said through silence than by talking and by loving one learns to Love.**

**Love, Love only do You speak, because being Love, you know how to speak of Love.”**

**Jesus:**

**“Love do you want to hear? All Creation speaks to you of Love.**

If the stars shine, Love they say to you; if the Sun comes up, with Love it gilds you.

If it shines forth in all its midday brightness, arrows of Love does it send to your heart.

If the Sun sets, it says that Jesus dies for Love of you; in thunders and lighting, Love I send you, and arrows with kisses I send to your heart.

Love runs upon the wings of the wind, if the waters murmur, I extend you in my arms;

If the leaves move, I press you to my Heart; with perfumes of the flowers, I entertain you with Love.

All creation in mute speech say to your heart: Only from you do I want life of Love.

Love I want, Love I desire, Love I beg from with your heart.

I am only content if you give Me Love.”

### **Luisa:**

“My Good, my All, insatiable Love, if You want Love, give me Love.

If you want me happy, speak Love to me; if You want to content me, give me Love.

Love invests me, Love puts me to flight; It carries me to the Throne of my Maker.

Love shows me the way to the Uncreated Wisdom and leads me to Eternal Love where I make my abode.

Life of Love I will live in your Heart:

I will Love you for everyone,

I will Love you with everyone,

I will Love you in everyone.

Jesus, seal me all with Love inside your Heart; empty my veins; and instead of blood, let there flow Love.”

Take my breath and make me breathe the air of Love; burn my bones and my flesh and weave all of me completely with Love.

Love transform me, Love conform me, Love teach me to suffer with You.

Love crucify me and make me all similar to You.”

Please pray for the Beatification of Luisa Piccarreta every day!  
God bless you!

**O Most Holy Trinity,**

**Our Lord Jesus Christ taught us that as we pray we should ask that our Father's Name be always glorified, that His Will be done on earth, and that His Kingdom should come to reign among us.**

**In our great desire to make known this Kingdom of love, justice, and peace, we humbly ask that you glorify your Servant Luisa, the Little Daughter of the Divine Will, who with her constant prayer and suffering, deeply yearned for the Salvation of souls and the coming of God's Kingdom in the world.**

**Following her example we pray to You, Father, Son, and Holy Spirit, to help us joyously embrace the crosses of this world so that we may also glorify your Name and enter into the Kingdom of your Will. Amen!**

## WHAT ARE ROUNDS?

*The rounds are a way to return to God our love for all that He has created for us and for all that He has done and is doing for us, as in the Creation of the universe, the Redemption of all human generations and the Sanctification of souls. In the Holy Will of God, we are able to do this in a most remarkable way, with our spiritual souls dispersed in unity with the Divine Will in all creation, accomplishing this action in our name and in the name of all souls, past, present and future.*

*There are three “Fiats” of God, “Creation, Redemption, and Sanctification.” While making the Rounds, we thank, love, praise and adore our Heavenly Father for these three “Fiats,” which is His just due from all created souls. It is just and right for us to reciprocate with God all the love He has given in all He has done and is doing for our good!*

*It delights God for us to surround Him with all the goods He has created for us, i.e: the heavens, stars, all the flowers, all the minerals of the earth, animal life, and all that His Beloved Son suffered for our salvation. And when He looks at His three "Fiats", He sees our “I love You,” in each thing He created and that which He suffered out of love for us.*

*It is a return of love to God, in the Divine Order, for His love in all of Creation, Redemption, and in all the works of the Holy Spirit for the Sanctification of all....just for each one of us, individually!*

*We pray that you will return to God all the love and glory He is due through these rounds!*
